

OVER 500 TITLES

We have the largest collection of titles in New Zealand. We will custom manufacture for you in any colour you desire, but if you only need red, yellow, green or blue enamel, we can supply the more common titles from stock. All are available with or without loop.

EMBROIDERED BADGES

Precision's Iron-on or Sew-on badges are beautifully made with high stitch density for durability and design clarity. Our advanced technology and high turnover mean we can waive the industry's customary set-up charges so it will cost you nothing to make the change to Precision's superior quality. Our easy-to-read price list enables you to see at a glance your exact and total cost.

Any logos or registered trademarks illustrated are to demonstrate type of product available. Items bearing such trademarks or logos will only be supplied to the lawful owners or licensees. Use of these trademarks does not imply that PRECISION BADGES have the approval or endorsement of the owners of these logos or trademarks.

PRECISION BADGES

We make it easy for you...

www.precisionbadges.co.nz

FRIENDLY HELPFUL SERVICE

Service must not suffer in the name of efficiency. We meet deadlines, and we keep our promises, but most of all we genuinely try to be helpful. We frequently provide service and help “beyond the call of duty”. Our creative staff enjoy a challenge, so if you require unusual designs or items not shown in this brochure, we will be glad to help.

FUNDRAISERS, SPECIAL EVENTS, AWARDS

Feel free to use our advice and design skills to create unique and beautiful awards and commemorative crested ware. We can also advise on the best selling lines and how to make the most of your budget. We love a challenge, so even if you think your idea is too complex, talk to us!

OUTSTANDING QUALITY

Precision's technology may be highly advanced, but the quality of our badge ware reflects our commitment to time-honoured standards of craftsmanship. You can be sure that only the best materials and many hours of painstaking work have gone into the production of your order.

ATTRACTIVE PRICES

Our competitive prices reflect the cost savings we are able to achieve with modern technology, a streamlined production system and high turnover, without compromising the strict quality guidelines we have set ourselves. We are so proud of our prices that, unlike many of our competitors, we publish price lists for most of our products. Please request one if you do not already have a copy.
