## FRIENDLY HELPFUL SERVICE

Service must not suffer in the name of efficiency. We meet deadlines, and we keep our promises, but most of all we genuinely try to be helpful. We frequently provide service and help "beyond the call of duty". Our creative staff enjoy a challenge, so if you require unusual designs or items not shown in this brochure, we will be glad to help.

## FUNDRAISERS, SPECIAL EVENTS, AWARDS

Feel free to use our advice and design skills to create unique and beautiful awards and commemorative crested ware. We can also advise on the best selling lines and how to make the most of your budget. We love a challenge, so even if you think your idea is too complex, talk to us!

## OUTSTANDING QUALITY

Precision's technology may be highly advanced, but the quality of our badge ware reflects our commitment to time-honoured standards of craftsmanship. You can be sure that only the best materials and many hours of painstaking work have gone into the production of your order.

## ATTRACTIVE PRICES

Our competitive prices reflect the cost savings we are able to achieve with modern technology, a streamlined production system and high turnover, without compromising the strict quality guidelines we have set ourselves.
