At Precision Badges we know the importance of maintaining your image. Our vast experience and unwavering commitment to detail ensures the quality of the wide range of products we supply.

Our customised metal name & title badges are enormously popular. It is now economical to have a personalised metal badge for all, enhancing your image.

Precision Badges is also your one stop shop for beautiful awards, commemorative crested ware & fund raising items.

FRIENDLY, HELPFUL SERVICE

Each office of Precision Badges is independently owned and operated, so you gain the cost benefits of dealing with a large badgemaker while also receiving genuine personal service. We are leaders in innovation and skilled in turning your concept into a work of art.

PEACE OF MIND GUARANTEE

At a time when some badge companies are cutting corners to cut costs, we take pride in the quality of our products, here is our guarantee:

"If you are not completely satisfied with the quality of your badges, we will re-make them at no cost to you, provided that any changes required are within the bounds of normal badgemaking capabilities."
